Winter Wines

Veritas Wine Class and Simple Meal

Saturday February 7 1:00 to 3:00

or

Wednesday February 25 6:00 to 8:00

While wines are available around the calendar, the foods we pair them with change with the weather. Veritas is in a unique situation of being constantly focused on these important changes. Our chef and our wine professionals are vigilant about the weekly changes of the menu both in terms of the foods available and appropriate from season to season and the wines that bring out the best in not only the food but the overall experience.

Join us for a Veritas wine class that explores the best that winter has to offer. We have chosen seven wines that shouldn't be missed during these colder, shorter days and Chef Mathis is pairing them with a simple set of foods perfect for bringing out the best in both.

Classes will be held on twice, two separate days so folks can choose which best fits their schedule. Both will be the same and will include 7 different wines from Amarone to Port, Rhone Wines including a Chateauneuf du Pape, a Viognier and California wines both Chardonnay and Cabernet. The participants will gather in our private wine room and everyone will share a classic Veritas meal of simple winter foods. We will serve rich comfortable options such as Seafood Gumbo, Mac 'n' Cheese and Braised Pork along with Cheeses and House Made Charcutery. As always Chef Mathis will add additional offerings along the way but has promised a Chocolate Berry Dessert to serve as the last of the winter wines is tasted and talked about.

Each class is limited and reservations are required.

Call 636 227-6800

\$60 per person \$50 for VIN Members

Includes both the wine class and the fabulous meal.

All wines tasted will be offered at sale prices to class participants.

Watch for information coming soon about additional Wine Classes and Simple Meals:

A focus on the Wines of Kermit Lynch: Tuesday, March 10th or Saturday, March 21st
