Veritas Rib Eye

Chef Mathis' Veritas Rib Eye, like most of what he composes, is beautiful, meticulous and smart. He carefully breaks down the beef removing all the gristle and then trimming, fileting and rearranging the fat for perfectly marbled meat in every bite.

This also allows for the steaks you pick up, to grill at home, to be a consistent size making them easier to temp for each guests' preference.

Each Veritas Rib Eye weighs about a pound and comes with Maldon Salt and your choice of Composed Butter** or Chili Oil.

Veritas' current price is \$45 per pound

** There is a limited amount of Bone Marrow Butter for Steaks ordered for pick up on July 3rd. It is available on a first come first serve basis.

Bobby's Veritas Craft Creations \$68

32 oz. bottle yields 8 to 10 servings

House Made Watermeloncello Basil Lemon Drop

Whiskey Sour with House Made Blackberry Sage Syrup
and Four Roses Bourbon

David's Sangria \$37

top with sparkling water, sparkling wine or champagne – it's your holiday!
