

VERITAS GATEWAY TO FOOD AND WINE

PRIVATE EVENT INFORMATION

Buy Out ('bī 'aüt) *proper noun* 1: a reservation of the entire space at Veritas 2: a private event, hosted by a business or individual, for the exclusive use by their guests 3: a fabulous personalized experience

All of Veritas will be exclusively yours!

Your party will be held in the area of your choosing:

- the Main Dining Room overlooking the kitchen
- the lovely and quiet Private Wine Room
- the bright and cozy Mustard Bar and
- the covered Patio that is both heated & cooled

Or your party can be in all the spaces at once!

Buy Outs can be scheduled any day or evening, regardless of whether Veritas is regularly open to the public or not. All events for 40 to 100 guests require a Buy Out; but smaller groups are also welcome.

These Events are the most flexible that Veritas hosts as they have the full attention of everyone on our team. Events can be created for *Signature Style*, *Sit Down* or *Platter Style* service. Chef Mathis will create a menu specifically for your event. You may choose a "Chef's Choice" menu, a Wine Paired Multi Course Dinner, an Open House Buffet or you may ask about the menus he has created for Themed Dinner Events such as Seafood Boils, Fried Chicken Suppers or Taco Bars in addition to a variety of other concepts that offer other fun and interactive experiences for your group. All Veritas menus can be created to limit or avoid certain foods based on your guests' dietary restrictions.

Buy Out Events can be Brunch, Appetizer or Dessert only affairs or they can include full dinner menus with Starters, Appetizers, Entrees and Desserts.

Buy Outs are the only type of Private Event that can take full advantage of the Open Kitchen that is at the Heart of Veritas. Guests at Veritas can always watch Chef Mathis and his team prepare the beautifully composed and interesting food that are being prepared. But only Hosts of **Buy Outs** are able to make special arrangements to add cooking demonstrations or mini classes to their Event. Wine and Cocktail Classes and Tastings are also popular additions for interested hosts to consider.

Beverage Service is as flexible as the Party Style for **Buy Outs**. Our Cellar and Bar Professionals are happy to suggest or source the perfect combination of wine and cocktails for your guests.

Wine & Spirits Tastings or Classes, led by Veritas professionals, can be added to any event. A \$5 fee will be added to each check if separate checks are requested. 20% gratuity, or service fee, will be added to all Private Events at Veritas.
